ORDER FOR RULE 17(c) SUBPOENA

This matter came before the Court on the motion of the United States requesting authorization for the issuance of a subpoena under Rule 17(c) of the Federal Rules of Criminal Procedure. The Court finds that the request is reasonable in that it seeks known evidentiary records the production of which in advance of trial will enable both parties to more fully prepare for trial.

IT IS THEREFORE ORDERED: that the Government's motion (Filing No. 27) is granted. The United States shall issue a subpoena duces tecum to the University of Nebraska Medical Center in Omaha, Nebraska, with a production date no later than November 5, 2009.

IT IS FURTHER ORDERED: that the documents may be produced at the offices of the United States Attorney for the District of Nebraska provided that the United States makes such records immediately available to the defendant.

Dated this 30<sup>th</sup> day of October, 2009.
